ANOTHER ORGANIZATION GOES ON RECORD

At the regular monthly meeting of the Carmel Federated Missionary Societies held on Wednesday, April 28th, at All Saints Rectory the following resolutions were unanimously adopted:

Whereas; there is a determined effort being made throughout the country to undermine the force of the 18th Amendment to the Constitution; therefore be it resolved by the Carmel Federated Missionary Societies that we earnestly uphold the Constitution of the United States including the 18th Amendment; and further be it resolved, that we heartily support the government in any and all efforts to enforce the law of the land and earnestly call on all good citizens to do their part by their conduct in obeying the law.

TEA GARDEN OPENS

A glorious mid-day, beautiful grounds and a splendid luncheon were the outstanding features of the opening to the public, last Wednesday of the Carmel Tea Garden, adjacent to the Carmel Art Gallery on the grounds of the old Hand residence on San Carlos avenue.

A score or more Carmel and Monterey folks were in attendance, among them:

Mr. and Mrs. Henry Hagemeyer, Mr. and Mrs. W. L. Overstreet, Mrs. R. W. Covington, Mrs. Sidney Yard, Mrs. J. G. Andersen, Miss Celia Harris, Miss M. DeNeal Morgan, Johan Hagemeyer, Mrs. Clara Smith Lawler, Miss Tilly Polak, Miss Alice McChesney, Mrs. Robert Roe, Miss Mary E. Mower, Miss Agnes Collins, Miss Ruth Higby, Mrs. J. B. Jordon, Baroness Nugent, Mrs. J. Stohr, Mrs. Mary F. Baker, Miss Florence Baker, Mrs. Hertzler, Mrs. L. B. Harvey, Miss Gladys Harvey, Miss Hazel Watrous, Miss Ethel Denny, Mrs. Ray Cheney, Miss Lydia Crane, Mrs. M. J. Holden, Mrs. Cyril Sheppard, Zanetha Catlett, Mrs. E. A. Kluegel, Mrs. Roberts Leitch.

P-T.A. MEETING

The regular monthly meeting of the Carmel Parent-Teacher Association will take place Wednesday, May 12, at 3 p.m., in Sunset School auditorium. The meeting will begin promptly in order to bring it to a close earlier than heretofore.

Mothers who have small children and babies are invited to bring them. There will be a Mother and several young girls present to take care of them during the meeting.

Come and join this organization and help to make it a real power in the community.

SCHOOL CHILDREN'S CLINIC

The annual clinic for children entering school for the first time will be held May 14, at 1 p.m., at the office of Dr. Charles H. Lowell, corner of San Antonio street and Eleventh avenue.

This clinic is composed of Carmel doctors, assisted by Mrs. Anna G. Andresen, state county nurse of California. Examination is free, and it is especially desired that parents co-operate with the State Board of Health by bringing their children to the clinic for examination.

KNIGHTS OF THE SQUARE TABLE MEET

Matters of a routine nature, more or less important, occupied the time of the city trustees last Monday evening.

Following the reading, correction and adoption of the minutes of the previous meeting came the reading and discussion and disposal of various communications. Johan Hagemeyer was granted permission to erect a direction sign at Ocean Avenue near Torres street. The Carmel Fuel Co. and Imelman's shop requested permission to erect business signs. Referred to the superintendent of streets.

A check-up of the books of the former City Treasurer L. S. Slevin was reported by Accountant F. E. Wood, preparatory to transferring the office to Charles E. Berkey. Everything was found in regular order. The city attorney is to advise the new treasurer in regard to the depositing of funds.

The application of Jacinto Re to establish a wood yard in North Carmel in the business zone, provision for which is made in zone 3, was referred to the city attorney.

Discussion of an ordinance regulating traffic on the new Ocean-Carpenter boulevard was varied and animated. So many different angles were developed that the whole matter was referred to a special committee consisting of Trustees Dennis, Larouette and Wood.

The need for additional street work equipment was emphasized by Trustee Dennis, and discussion of this matter brought the suggestion that a lot and building was required to house such equipment. Miller, Dennis and Wood are a committee to handle the matter.

Trustee Miller was authorized to proceed with the erection of a new and larger convenience station at the bath house, owned by the city, at a cost not to exceed \$300.

The board passed a vote of thanks to H. W. Turner for electrical equipment supplied the Fire Department.

Issuance of bonds aggregating \$4174, representing unpaid assessments on Seventh, Ninth and Twelfth avenue improvements, were ordered issued.

A committee of the board has in charge the proposition to erect and maintain tennis courts on Block 69, the city's property.

City clerk Sadie Van Brower was granted a two-weeks vacation.

LOCATION OF HARRISON MEMORIAL LIBRARY

By a unanimous vote of the board of trustees of the Ralph Chandler Harrison memorial Library last Monday evening it was decided that the location of the building will be upon the property designated by Mrs. Ella Reid Harrison in her will, that is upon Block 72, Ocean avenue, Lincoln street and Sixth avenue.

OUT OF BUSINESS

Cornelius Vanderbilt's San Francisco Daily Illustrated Herald has suspended publication and his Los Angeles News is in the hands of a receiver.

Telegraphic advises are to the effect that these enterprises failed for several very natural reasons—the high cost of newspaper production, lack of advertising support, and entrance into fields already well and adequately covered.

SMALLMAN A CAPELLA CHOIR TO APPEAR IN CARMEL

The Smallman A Capella Choir, John Smallman founder and conductor, has been secured for two concerts at the Theatre of the Golden Bough on Saturday and Sunday, May 15 and 16.

This organization, described by able music critics as one of the greatest of its kind in existence, is composed of forty mixed voices, singing unaccompanied, entirely from memory.

Extreme careful selection of voices was made by the founder, John Smallman, from various organizations of which he is the conductor, including the Los Angeles Oratorio Society and other southern California singing organizations.

Singing "A Capella," or unaccompanied, is the purest form of choral art. A Capella means, literally, chapel style—hence the reason for the choir adopting the Italian title. Such singing makes the most exacting demands upon those who are courageous enough, and have the patience it requires, to attempt it. Not the least of these demands is that every individual must have a most acute ear, if proper intonation is to be obtained.

Over a very long period this enthusiastic body of singers has rehearsed under their director, three times a week, and sometimes more. They have acquired a repertoire of which they may be justly proud.

The assisting artist is Vera Barstow, internationally famous violinist.

Percy Grainger, world famous composer and pianist, says of the choir: "Last night I heard Mr. John Smallman rehearse his 'A Capella' Choir, and it was a revelation to me. Though I have heard many fine A Capella organizations in various parts of the world (especially in England and Holland) I have never heard any to approach Mr. Smallman's choir in general artistry or technical skill."

"Mr. Smallman accomplishes an independence of phrasing and shading in the various parts, a vividness of dynamic contrasts and a sheer beauty of vocal tone that are absolutely new to my ears. Mr. Smallman is indeed a rare genius in his field, and his A Capella Choir ought to tour the world and show what superlative perfection Los Angeles and America have reached in what is acknowledged to be one of the most exacting of all branches of music."

SOCIAL CLUB INCORPORATES

The pioneer Manzanita Club of this city, which is just now erecting a club house on Dolores street, has filed articles of incorporation with the County Clerk at Salinas.

Being a non-profit concern, there is no capital stock, though the club has considerable property, such as real estate, a building and equipment.

The directors of the club are: Robert Pearson, Bernard Wetzel, Ross E. Bonham, Louis S. Slevin and Fred Leidig.

"GAWPY" ON THE RADIO

"Gawpy" was broadcasted as a special feature of the children's hour from KFRC City of Paris last Tuesday evening. Harold Hestwood has composed some new Gawpy songs which were sung for the children. Mr. Hestwood also broadcasted the words of the original verse in the book.

FINANCIAL STATUS OF HARRISON LIBRARY

By George L. Wood

The present Board of Trustees of the Ralph Chandler Harrison Memorial Library fund received from W. T. Kibbler, retiring chairman of the board of trustees of Carmel:

Twenty \$1000 bonds of the City and County of San Francisco bearing interest at 5% per annum, payable semi-annually. Face value \$20,000.00
Cash in Bank of Carmel, savings account, interest credited to January 1, 1926. 2,540.38

Total \$22,540.38

From this is to be deducted amount advanced by the City of Carmel to pay expenses incurred in the administration of the fund. 231.90

Leaving net cash \$22,308.48

With the \$500 in interest on the bonds due July 1 next, the interest on the amount in the savings account and the premium we can reasonably look for when the bonds are sold, this fund should approximate \$24,000.00 by Fall.

In addition we have, of course, the books and furniture left by Mrs. Harrison, as well as the lots at the corner of Ocean avenue and Lincoln street on which the library is to be erected.

MASON'S ENJOY GATHERING

The Carmel Masonic Club held an interesting session in their quarters on Lincoln street last Tuesday evening.

About twenty of the members were present and took part in the program which included a short business period when the constitution and by-laws were adopted, a social and refreshment session, and a intellectual hour when Paul Flanders gave an address on "Life on a Destroyer."

Recently about ten of the members turned out one Saturday afternoon to do carpenter and other work on the club room.

Pine Needles

"Love and Money" is the title of Jesse Lynch Williams' story in a recent issue of the Saturday evening Post.

L. W. Jordan of the Mission Chalk Rock and Products Co., of this city spent the last week-end in San Francisco.

Mrs. Hughes, her mother and Miss Reavis Hughes, former Carmelites, are here from Pasadena. They are in the Wyman cottage.

Mr. and Mrs. Sam Theobald had as guests last week Mrs. Alfred Featherstone and Mrs. Stephen Burnett of Santa Barbara, and Miss Winifred Burnett of Cleveland.

Official reports of traffic supervision in Monterey county during March show that there were 786 motorists halted for one reason or another, delinquent fees of \$158 collected, and fines amounting to \$2274 paid.

Preliminary reports for the first ten days of April and orders on hand at Olds Motor Works indicate a new all time record in monthly retail sales during April. Paul J. Denny, local dealer, sold his full share of cars.

Dr. Herman A. Spoehr, his wife, son and daughter, left on Monday for San Francisco, where they will take steamer for New York, going via the Panama Canal. After a brief stay in Manhattan they will sail for Europe. December will find them all in Carmel again.

Mr. and Mrs. Paul Burns of Pebble Beach have as guest Miss Harrison of Nova Scotia.

Ralph A. Grover, publisher of the Observer, an Oakland weekly, was in town last week.

Mrs. Martha Newcomb, who has been abroad for some time, has returned to her beautiful home at Pebble Beach.

Miss Josephine Lang of Chicago and Mrs. G. E. Shoemaker of San Jose were last week-end guests of Mr. and Mrs. G. Allison Shoemaker.

Mr. and Mrs. R. White, recent arrivals from Baltimore, are now located in Carmel. Mr. White is in the employ of Mr. Simonson, the architect.

Mr. and Mrs. Robert Erickson are celebrating the arrival, early Wednesday morning, of Henrietta Ann, at El Adobe Hospital, Monterey. Mrs. Erickson was formerly Miss Irene Gould.

Someone got on the wrong scent the other day. A telephone message was received at the Carmel city hall asking that a dead canine be removed. Upon investigation four over-ripe abalones were found in a sack.

Archie Da Mant of Fresno, who has the contract for concreting Dolores street and Seventh avenue, was in town on Wednesday. He announces that the work will start at once. The new roadway will be open to traffic by June 1.

Even now, where can an ample and safely secluded building spot be obtained at a moderate price except in HATTON FIELDS?

To see HATTON FIELDS is to appreciate its exceptional values.

Without obligation to you, the Carmel Land Company gladly offers the services of a competent salesman to show this new restricted property.

Telephone 18 or call at this office on Ocean Avenue and you will be taken for a ride over HATTON FIELDS.

BAY SCHOOL PUPILS WIN COUNTY PRIZE

The Salinas Civic Club held a flower show in their club house April 23 and 24, 1926, and the fine exhibit of wild flowers sent in by the schools of Monterey County was of great interest. The following schools were awarded prizes for the largest number of varieties: Bay, Rich, Indian Valley, San Antonio Union and Milpitas. All those sending in fifty or more different kinds were given special mention and the committee wants to commend every school exhibiting. A few schools contributing fewer than fifty varieties also received special mention for special reasons, such as naming the flowers sent, or particular care and ingenuity in packing, or attractiveness of exhibit. The flowers from Pacific School came in excellent condition although they had to travel a day on horseback. Indian Valley School arranged the flowers in home-made baskets and they were brought in on Saturday morning by the teacher, a trustee and one of the children. They left the school house about five o'clock in the morning and arrived in Salinas before nine.

There were flowers from redwood canyons and other shady places, flowers from swamps, and flowers from mountain and open hillside and sand dunes by the ocean. A few flowers

rare in Monterey County attracted special attention. Among these were the Bear grass or Squaw grass, which usually grows on dry ridges, Clintonia, a pink-blossomed lily from the redwoods, which later has lovely delft blue berries, and scarlet fritillaria.

The wild flowers were arranged on two long tables. On one were the flowers of the northern part of the county and on the other those of the southern end. Both tables made a beautiful showing. It was noticed that many of the flowers of the southern part of the county were larger and more showy than the same kind which grew in the north, and there was quite a difference in variety.

The following schools contributed to the success of the exhibit: Bay School 165, Rich School 136, Indian Valley School 85, San Antonio Union School 66, Milpitas School 65, Monroe School 64, Homes Valley School 62, Buena Vista School 60, Fair View School 54, Pacific School 54, Peachtree School 33, Hesperia School 32, Vineyard School 30, Somavia School 30, Parkfield School 25, Palo Colorado School 214, Gonzales School 24, Priest Valley School 17, Lake School 3.

As may be seen from the above, Bay school, at Point Lobos, won the first prize, a lovely vase donated by Mrs. Day of the Gift Shop in Salinas.

And...one out of every three was a Hartmann

In New York and Chicago baggage rooms an observer found that out of twenty-one trademarked brands,

every third wardrobe trunk was a Hartmann.

Perhaps you, too, have been attracted by the sturdy and distinctive appearance of a Hartmann, standing on the station platform.

But have you ever investigated the comforts of travel and garment carrying service a Hartmann affords?

Do you know about the Gibraltarized construction and skilled labor that assures every Hartmann owner of the greatest durability that can be found in a wardrobe trunk?

We should like to show you a Hartmann Wardrobe—inside and out—and explain the many other conveniences and advantages built into these splendid trunks.

They come in a variety of styles, sizes and finishes suited to every need at prices from \$35 to \$250.

It is more than heartily suggested L. Wood and Mrs. E. A. Sapp.

that all players memorize the next several paragraphs:

Players who fail to advise their captains personally by phone or postal card not later than Saturday night whether they can or cannot report for Sunday's game will be dropped from the regular line-ups to a place on the substitute list.

Don't make your captain take the initiative. If the whole team did it, the captain would have to send nine post cards or make nine phone calls. The player only has to send one. Help the game along by doing your share. Let your captain know in time whether you can play or not.

If a player notifies his captain of inability to play in a particular game a place in the club line-up for future games will be kept for the absentee.

BUT, if a player, having agreed to play, does not report ready to take a place on the field at the time the game begins, the player will be ruled absent and his place in the team's line-up will be filled from the substitute list. Being late is worse than being absent.

The success of the league depends in getting the first game started on time. 1:15 means 1:15.

The opening games of the Herald series will be:

White Sox vs. Reds, 1:15

Pirates vs. Bears, 2:30

Shamrocks vs. Tigers, 3:45

LET'S GO!

Power Systems Make Good Service Cheap

California's great and ever ready power supply at cheap rates is the result of system building.

But a few years ago Salinas, Monterey and Pacific Grove and King City, each had small electric plants run by steam. No hydro-electric supply—no emergency service—no farm service—many shut-downs—higher rates!

All of these cities and the towns and farms between have now been made a part of the Coast Valleys Electric System, tied together by high power transmission lines, fed by large, reliable Hydro Electric sources.

Homes, factories, farms and business have benefited by the improved service.

Business, brains and initiative have built power systems giving California the cheapest power and greatest use per person in the nation.

—FACTS—

The cost of living is 65% higher than in 1913.

The cost of electricity is less than in 1913.

Let our Commercial Department help you plan to make more money by using this great service.

UNCLE SAM'S TREAT

UNCLE SAM is a good deal of a chair-warmer generally. When the waiter brings the dinner check the old gentleman is likely to be deep in conversation and overlook the slip of paper.

But sometimes he blows himself, as in the case of the military training camps open to young men every summer. Here he pays your boy's railroad fare from home to camp and return, gives a uniform free, and provides lodging and table board gratis, capping his munificence by furnishing free doctoring if necessary. Also the athletic training, the recreations and the military knowledge the boy receives are costless.

For one whole month every summer for four years Uncle Sam engages to do this for youths who accept his offer. It is expected there will be about 35,000 such boys this season. The camp at Del Monte will be on from June 27 to July 26.

FIRE INSURANCE COMPANIES DO CARE

IT is a sorry commentary on the honesty and good faith of the average business man, that whenever trade in certain lines becomes unprofitable, the number of fires in such occupancies at once increases.

This, however, is the experience of underwriters over a period of many years. It is the result of sins of omission as well as those of commission, for there are passive as well as active incendiaries. Both are being dealt with by the National Board of Fire Underwriters, the service organization of the major stock fire insurance companies of the country. The passive class is being subjected to education, and the active perpetrators of arson to investigation and prosecution.

Contrary to loose statements sometimes heard to the effect that underwriters do not care about reducing the national waste by burning, they are spending much thought and money upon preventive measures of all kinds. The criminals who burn for profit are given due attention for they frequently endanger life and are responsible, altogether, for an appreciable portion of the total fire destruction. The part they play in swelling the fire toll should be realized by the public, especially by citizens who perform jury service, for their depredations add materially to the burden borne by the public.

REGISTER FIRST—VOTE AFTERWARD

THE County, State and Federal elections this fall are important. Every citizen should vote. Failure to register will deprive you of your vote, not only for the candidates, but for the various propositions on the ballot.

UNITY CIRCLE HAS CRAFTS PARTY

Mrs. John Batten was the charming and clever hostess at Unity Hall on Friday of last week, at an art tea.

The guests were given an opportunity to display their artistic talent by creating objects of art. Some clever results were achieved with potatoes and tooth-picks, colored crayons, and in free hand embroidery. The dainty prizes went to Mrs. Andersen of Pacific Grove, and to Miss Gwyneth Willner. On Friday May 21, Mrs. Sevilla Ford and Miss Ford will be hostesses at a garden-tea at their home—Eleventh and Junipero.

ROOM FOR IMPROVEMENT

Frankly, the Sloan Marionetts, from the Shack Theatre in San Francisco, which were presented in the Golden Bough last week-end were a disappointment.

It would have been so much better had the fore-stage been used. As it was the exhibition was too far away. Too far away to see the excellence of the shape and costume of the puppets, and of the manipulation.

Then too, many who saw the show were unable to adjust themselves to the character represented by "Rastus." He was endowed with a high soprano voice that did not fit.

Tony Sarge and Krembourg have long ago solved the problem of hiding the manipulating wires, which were much in evidence in this show.

Undoubtedly the Sloans have a potential good show. It certainly is not ready for successful presentation in a large theatre.

Smocking Puts a Brave Front on a Spring Frock

BUTTERICK 6813

HERE is a little frock, new French in cut and old English in its smocking, that can go to day-school in cotton crepe and to Sunday-school in crepe de Chine. Cherry red, crayon blue, love-bird green, violet and the new crushed-berry pinks are delightful shades for a silk frock that isn't worn every day, or for a cotton voile frock that can be washed when necessary. Crepe de Chine washes nicely, too, in these show-the-spot colors. Dark blue smocked in scarlet, hunter green with lighter green, wood brown with nasturtium yellow are excellent colors for school.

ART NOTES

PROMINENT FRENCH ARTIST TO TEACH IN SAN FRANCISCO HERE

An interesting sojourner in Carmel during the past week was Pierre Matisse, eminent young French painter. While here he was variously entertained. Mr. and Mrs. Cornelius Botke gave a dinner dance for the visitor Saturday evening, and on Sunday evening he was the guest of Mrs. Lotta A. Shipley.

Matisse is the son of the distinguished French artist, Henri Matisse. An exhibition of the work of the young man is now hanging on the walls of the California Palace of the Legion of Honor in San Francisco.

Matisse, thoroughly "sold" on the Monterey Peninsula, promises to return here next year.

CENTURY OF GERMAN ART ON EXHIBITION

In Vienna, at the Secession Galleries, there is being shown an exhibition known as "A Century of German Art." As to this exhibition the Vienna critics seem to feel that it is rather ponderous in tone, with but few flashes of color, but with a meticulous application of the principles of art that would make them desirable pictures to live with.

The most important picture in the show is one borrowed from the National Gallery in Berlin of Julius Schnorr von Carolsfeld. Wilhelm Leibl is represented by "Memories of the Dachau." Fritz von Uhde has "The Three Models," a story of children. "The Polo Players," by Max Liebermann, is a widely known painting. Max Slevogt is represented by two Nile scenes.

There are landscapes by Kaspar David Friedrich, semi-romantic pictures by Arnold Böcklin and canvases by Lovis Corinth.

Robert Hestwood of the Hestwood Studios of this city has accepted a position on the faculty of the California School of Fine Arts in San Francisco for next year. He will carry on his own work as usual in his own studios teaching one day a week in San Francisco. He will be head of the children's department. An exhibition of the work of the Hestwood students will be held in San Francisco in July.

THEATER TO HAVE PAINTINGS BY F. TENNEY JOHNSON

San Bernardino is to have a theater with mural decorations by F. Tenney Johnson, the painter of the West who lives in New York most of the time. He also has a home in Alhambra. The theater, to be called "The Cathay," will have thirteen murals depicting the struggles of the pioneers of the days of '49.

Johnson is a painter of horses, Indians, mountain trails and the desert. Traveling back and forth, Mr. Johnson often passed through San Bernardino, and admires the mountains, but at one time he received a favorable impression in a more material way. During the time of the biennial meeting of the National Federation of Women's Clubs, in Los Angeles, he passed through on one of the Santa Fe trains carrying delegates. He was gathered in by the reception committee of San Bernardino County club-women on duty, and refreshed with orange punch, for which he was very grateful, for it was a warm day around the station. One or more of Mr. Johnson's western pictures are usually hanging in the Biltmore salon or in the lobby.

A interesting canvas now on exhibition in the Del Monte Gallery is that by Miss Evelyn McCormick. "Venitian Fishing Boats" is the title of the picture.

Paul Whiteman arrived at Carmel Highlands this week with Mrs. Whiteman. None of his orchestra is with him. People go to the Highlands for quiet.

NEW BUILDING FOR FINE ARTS IN NEW ZEALAND

In far-off New Zealand there is an art world and an appreciative audience or art enthusiasts. With but a little over 1,000,000 population the tiny islands lying in the southern Pacific have achieved what many an American city of the same population has had to make a strenuous effort to get. For many years the arts department of the Auckland University has been housed in a disreputable looking old building that was once a grammar school. Now there is a magnificent new building with every facility for the showing of pictures and the study of them.

The new building of the Auckland University College, one of the four affiliated institutions of the New Zealand University, was opened March 12 by the Governor-General.

The building is ferro-concrete, faced with gray New Zealand sandstone, and both inside and outside it has dignity and beauty. The two main features of the interior are the library and the music room, the latter of which will be used for concerts and college functions. The library is an impressive galleried room, and the 16,000 volumes seem to be lost in it.

There is no doubt that the growth of popular interest in the college has been stunted by the shabbiness and unobtrusiveness of the buildings. The new arts block stands on a fine site near the heart of the city, adjoining Government House, with its beautiful oaks, and opposite the Albert Park. Competitive designs were called for, and the successful architects were Messrs. Lippincott & Billson of Melbourne.

PASADENA ARTIST WINS CASH PRIZE

Benjamin C. Brown of Pasadena has been awarded first prize of \$500 at the Springfield (Utah) High School national art exhibit with his landscape, "Sierra Hillside." B. T. Larsen of Provo, Utah, was awarded second prize, \$150, with his painting, "The Mother Tree." Only Utah artists could compete for second prize. Both Brown and Larsen are nationally known artists.

Miss Rhea Lee Hartmann of Seattle, and British Columbia, lectures at Unity Hall, 8th and Dolores, Tuesday and Thursday evenings May 11th and 13th on "The Sex Revelation of Science," and "The Silver Key to Personality and Character."

Miss Hartmann is one of the leading authorities on the ancient method of character reading by analysis of

names, which she considers the most scientific and accurate, as well as the most fascinating method of character and psychoanalysis.

"Good names belong to good people," said Miss Hartmann. "Names are good for two reasons: because of the sound or harmony of the names and because of the number of the different sounds and vibrations and their various combinations."

The public is invited to these lectures, at which she will analyze names of prominent people as well as from the audience.

Miss Hartmann is at the home of Mrs. W. M. Chappell.

Manager O. B. Jenkins of the Manzanita Theatre announces another Harold Lloyd picture for his place of amusement. On Monday and Tuesday, May 10 and 11, the bespectacled comedian will appear in his latest laugh-provoker, "For Heaven's Sake."

KATHARINE VANDER ROEST CLARKE RECITAL IN THE NEAR FUTURE

By Mable Gray Young

Katherine Vander Roest Clarke, the gifted young pianist, is again in Carmel and will be heard in concert at the theatre of the Golden Bough May 23. At her last appearance here about a year ago she created a very favorable impression in a varied program. These words from a London criticism of her playing seem to me to hit the keynote of her personality—"An example of the ability of the pianist is a certain fearlessness in attempting huge things which she does extraordinarily well." When hearing her play I always have the sense of power and fearlessness.

She approaches the piano as something she understands and loves; the result is a firmness of grasp and a virile and vibrant style dominated by intelligence and poetic insight. I especially like her in brilliant and forceful compositions—The Military Polonaise of Chopin for instance, where she so enters into the spirit of the piece that she carries one thru all its varying moods to the exclusion of everything else—in fact makes you live the music. This is a rare art. With her youth and earnestness Mrs. Clarke should achieve a very secure place for herself in the musical world.

The following are excerpts from some of the San Francisco criticisms—Redfern Mason of the Examiner says in part, "The reading of the Bach was technically excellent; it was robust and you never felt that the pianist was merely playing notes. There was a purpose in every phrase." Ray C. Brown of the Chronicle has this to say, "There is more than a capable technique in the work of this young musician. She has that quality vaguely labeled 'temperament' which imparts vitality to her readings. Her style is virile and positive in its affirmations. She has definite ideas as to the meaning of the music she plays and expresses them clearly."

Mrs. Clarke's program for May 23rd includes numbers by Beethoven, Chopin and the modern school will be represented by compositions of Goossens.

Mrs. Clarke will give request numbers as encores after the program.

BIG SUR AND RETURN IN SAME DAY

A change in the running time of the stage running between Monterey and Pfeiffer's via Carmel, now in effect, makes it possible to spend two hours in the Big Sur country and return the same day.

The stage leaves Monterey at 8 a.m. on Monday, Wednesday and Friday, arriving at Pfeiffer's at 12 a.m. Returning, the stage leaves Big Sur at 2 p.m.

ANNOUNCEMENT

At the request of my friends in all parts of the County, I hereby announce my candidacy for re-election to the office of County Superintendent of Schools of Monterey County. I most highly appreciate the splendid co-operation and helpfulness of trustees, parents and teachers in the schools of this County during the past four years. Some most excellent results have been attained. Monterey County stands among the leaders in the State in its educational system. Everywhere the schools are in a most excellent condition financially and otherwise, and on account of this delightful situation, and the loyalty and enthusiasm of the people with whom I work I am sure there is no vocation which would afford me greater pleasure than to continue to work in the school department of this County.

ITEMS OF INTEREST

Mrs. Mabel E. Slevin has returned from a week's vacation spent in San Francisco.

Walter Vodges, editor of Hearst's Sunday features, with headquarters in New York, was here this week.

The Garden Tea to be given for Unity Hall by Mrs. Ford has been postponed to Friday, May 21.

The sweet and flower shops of Carmel and elsewhere did a big business yesterday. Why not? Tomorrow is Mothers' Day.

Miss Kate Conway of San Francisco was a recent visitor here. Miss Conway is one of the administrators of the late Ella Reid Harrison's will.

For several weeks the Sand Box cottage will be occupied by Mrs. Stephen Burnett of Buenos Aires and Miss Winnifred Burnett of New York.

Guests from Salinas, Monterey and Carmel were present at the home of Mrs. Julian Phillips in this city on Wednesday afternoon to attend the shower in honor of Miss Marjory Treat, daughter of Judge and Mrs. Fred A. Treat, who is to be married to Eugene Schofield of Palo Alto on June 3.

STORY OF "THE BEGGAR ON HORSEBACK" UNUSUAL

On Thursday night Edward Kuster gave an interesting reading of the comedy, "The Beggar on Horseback," from the forestage of the Theatre of the Golden Bough. This play, written by the authors of "Dulcy," is the basis of the delightful motion picture now being shown at the Golden Bough in conjunction with the premiere performance of Irving Brant's thrilling play of the tenements, "To the Playground." This combination bill will be played tonight and tomorrow night.

There isn't any actual beggar in the "Beggar on Horseback," and the play has nothing to do with horseback riding. But, "if wishes were horses beggars could ride," and in this instance a poor overworked beggar of a composer takes a ride on the wings of a sleeping-powder dream that is the most astonishing and amusing flight of human fancy that can be imagined.

Neil McRae is a young symphony composer who has to write tinpan jazz songs to keep from starving. Two girls, one new-rich and the other a struggling artist like himself, love him. He almost marries the former—but a doctor friend steps in, notes his over-worry and jangled nerves, prescribes a sleeping-pill, and then the fun begins. The dream he dreams is the weirdest, funniest, most fantastic aberration ever shown on stage and screen. And when he wakes he knows exactly what he must do—and does it.

JUNIOR BASEBALL LEAGUE

Including yesterday's contest between the Cubs and the Giants, four games have been played in the nine game Sunset School baseball series for possession of the Pine Cone silver cup.

The games have all been well-contested, the boys and girls entering into the competition with keen rivalry and good sportsmanship.

Argyll Campbell of this city, because of press of legal and other business, announces that he will probably resign his position as commander of Monterey Peninsula Post No. 41, American Legion.

Free Lecture Tonight

D. W. Starrett, author of a very important work on psychology, entitled **THE LAST LAP**, published by Sherman, French and Co., Boston, will deliver a free lecture, no collection, at the Arts and Crafts Hall, Saturday evening, May 8th at 8:30. The subject will be "SHORT CUTS TO HEALTH"

HOW ABOUT THIS ?

Practically no interest whatever has been taken by the people of Carmel toward helping to raise funds for the Boy Scouts.

We still need at least \$300.00 for the work. Won't you, Mr. Reader, put in your little share? Send your checks to me, and they will be turned over to the proper officials.

Comstock Erects Picturesque Art Shop

Once again someone has done something "different" in Carmel. One night when you made your last trip to the post office, the lot opposite the one owned by R. C. De Yoe was just a lot; the next morning when you came down to Blood's to get that loaf of bread that you forgot the night before, the lot housed a fantastic little building.

But it isn't one of those rubber stamp things that consist chiefly of cement, glass and right angles. To

the peak of the gable, broken next by the chimney, then the arched gate in the rock wall, and finally the wall, gradually disappearing in a clump of shrubbery. It isn't a material thing; it is purely imaginative. It is built of dreams—of moth wings—of the shimmer of moon light.

This fantastic little creation is going to be Bonnie Lee's shop where she may chance to sell everything from lemon drops to opera glasses, but we fancy that she will have some delight-

attempt to describe it would be like trying to tell of Queen Mab's Grotto for the fairies, or the Palace of the Kewpies, or the cave where the "squidgichum" squees swallow themselves. Then again one might translate it in terms of North European architecture—the broken roof line, the nicked casements, the hipped gable in front that looks so like a bonnet to the architect that he calls it a hood, the irregular line of roof beginning with

ful Colonial antiques—perchance an old grandfather's clock, a highboy, a spinning wheel sitting out in the sunny patio behind the intriguing wall.

The date of opening will be announced later. You'll want to meet Bonnie Lee, who made this shop possible, and we feel sure that Hugh Comstock, the Builder of Dreams, will be given a place of honor on the opening day.

ARTS AND CRAFTS PLAYERS REHEARSING FOR NEXT PLAY

Since George Ball and Rhoda Johnson began producing plays at Arts and Crafts Theatre they have to their credit four smooth productions of modern plays—The Bad Man, The Torch Bearers, In His Arms, and In the Next Room. Each gave pleasure to big audiences and each has its partisans, ready to praise it above the other three. Diverging opinions keep a community alive, even if they make you want to kill the person whose opinion diverges from your own.

Arts and Crafts' next play, The Mutant, will start much argument for its authors, Gilbert Hamilton and Louise Wallcott are adventuring into the most exciting realm possible—the unguessed powers of the human mind. Dr. Hamilton, now head of the New Rockefeller Institute in New York has had experience as an alienist which entitles him to speak with authority on matters which a generation ago were only wild dreams in the mind of the wildest dreamers.

Rehearsals of the play are now under way, and the excellent cast includes George Ball as the Mutant, the young physician whose powers defy analysis, Miss Thompson as the wife who can never understand him, Marian Todd as the young technician of the
